ROSEBEN IS AT HIS BEST.

ASTONISHES OAKLAND RACE-GOERS IN DIS-PLAYING HIS MARVELOUS SPEED.

Frank Flittner Takes the Crocker Selling Stakes-Montgomery Wins and Dorante

Runs Unplaced.

San Francisco, Cal., December 5.—Roseben aroused dormant enthusiasm in 10,000 race-goers with his fine achievement in the closing race at Oakland today. The renowned sprinter's display of speed and weight-carrying ability caused the big throng to shout with astonishment. "The Big Train" was an astomding revelation to local devotees of the sport. His opponents were four of the best exponents of speed on the coast, each in receipt of big weight concessions, and all beat him away from the post. It was a mere moment before he, once in his stride, had his opponents squandered. Runing from last position into a commanding lead was accomplished with such swiftness that not one spectator in a thousand followed the transition understandingly. Roseben won pulled almost to a walk. Eastern experts are of the unanimus opinion that Davy Johnson's horse stripped at the top of his form.

Outsiders had scored with monotonous regularity until the last race. Frank Flittner, at long odds, won the Crocker Selling Stakes at one mile. From the money value viewpoint this was the chief from the money value viewpoint this was the chief from the money value viewpoint this was the chief saw. Seewell, Cressina, Don Enrique, Spooner and Import. The starters included Bellwether, Tony Fanst, Seewell, Cressina, Don Enrique, Spooner and Import. The unming of the Stanford Handicap, at a mile and seventy yards, preceding this, had also resulted in an upset. Dorante, at odds-on, was beaten of and finished a bad last in a field of four, Montonery improvement.

Disasters for form players accumulated as the racing progressed. The choices were unplaced in the first third, fourth and fifth races. Until Roseben won finally only one favorite finished in the first three. San Francisco, Cal., December 5.-Roseben aroused

ing progressed. The choices were infinited in the first, third, fourth and fifth races. Until Roseben won finally only one favorite finished in the first three.

Glorious weather prevailed. One of the best cards ever given in California was decided and the inclosure was packed with visitors.

As an aftermath of County Clerk's victory yesterday, the stewards have suspended jockey Kirschbaum indefinitely except for his contract employer, J. D. Millin. Judge Hopper said Cloudlight, previously ridden by Kirschbaum, had shown suspicious improvement with other jockeys up.

The J. D. Millin sale was a failure. On good authority it is probable every horse offered was bought in.

Henry Flittner, well known in turf circles all over the country, and cashier for Barney Schreiber, is lying critically ill from a sudden stroke of paralysis while at the theater Friday night.

MORE AMERICANS SAIL FOR EUROPE.

Steamer Minnetonka Takes Consignments from Haggin, Madden and Widener.

New York, December 5.-The steamer Minnetonka

New York, December 5.—The steamer Minnetonka left here late Friday evening with a large consignment of thoroughbreds destined for England and France. Besides James B. Haggin's horses, which are rhostly broodmares and weanlings, the shipment was made up of John E. Madden's twenty-five mares from his Hamburg Place in Kentucky and nine head of horses belonging to J. E. Widener. The Well-known Philadelphia horseman.

The Haggin and Madden horses were to be in charge of Eugene Leigh, but that gentleman was compelled to sail on the French line Thursday and leave the details of the big shipment to Ed Hughes and Robert Shannon. The latter, who will probably look after Madden's horses in France, is one of theyoungest trainers in the business, but he has had considerable success from the start. For a time he was associated with Mr. Madden at his Hamburg Place in Kentucky and also did well with a small stable at New Orleans last winter. J. E. Widener's horses were in charge of Howard Lewis and are destined for France, where they will compete in the hig steeplechases of that country next season.

Laclen Lyne will leave in a few days for his home in Kentucky, but will go back to Belgium again next season to ride for M. Ribancourt. Al fhough Lyne went to that country somewhat late in the season, he made a very good showing, riding sixty-eight winners out of 195 mounts.

W. L. Powers, who attended the recent thoroughbred sales in Kentucky, expressed himself as agreeably surprised with the breeding conditions in this country. While many of the horses have been sold out of Kentucky, small breeders have taken advantage of the low prices that prevailed and a number of good young mares that went under the hammer will only change to another blue grass farm.

W. Lakeland has made a change at his breeding establishment, retiring the stallion Goldcrest and

W. Lakeland has made a change at his breeding establishment, retiring the stallion Golderest and breeding his mares to The Picket, winner of the American Derby and Brooklyn Handicap. Among the mares that have been bred to The Picket are Quesal, the dam of Electioneer, and Rose Ban, the dam of Glectioneer, and Rose Ban, the dam of Sectioneer, and Rose Ban, the leave in a few days for the coast, where he may buy a few horses and race them during the winter.

A. Molinelli has now taken up winter quarters at the Gravesend track. He had Royal Onyx and both appear in the best of condition.

NEWS FROM THE BLUE GRASS FARMS.

Lexington, Ky., December 5.—Peter Wimmer left here this morning for Washington to superintend the shipment of the ten horses out of the J. E. Madden string which he will race at Santa Anita.

Foxhall P. Keene is at Castleton Farm to spend a few days. He has been to Colorado Springs.

Dave Peel, who took Miss Sain, Grande Dame. Alma Dufour, Elizabeth Harwood and ten others of the St. James Stable string to Los Angeles, has returned and is in charge of the Wheatcroft stallons and mares at Woodburn Farm.

Sanford C. Lyne has insured the forty-efght weanling thoroughbreds that he bought at the recent sale.

Senator J. W. Bailey of Texas, who is interested with G. D. Wilson in the Iroquois Stud, is here for an inspection of the horses and farm.

OISEAU'S HALF-BROTHER KILLED

Nashville. Tenn., December 5.—John Greener, the Nashville turfman, has lost by electric car accident a promising yearling colt by My Boy—Kitty Gunn. a half-brother to Oiseau. The colt was being led through Fatherland Street by his groom en route to Cumberland Park. The youngster became frightened at the searchlight on the car and, swerving into it, was knocked down and his neck was broken. Mr. Greener valued the colt at \$2,500.

COLT THAT REPRESENTS THE BEST BLOOD OF AMERICA AND ENGLAND

In 1905 H. P. Whitney's CH. C, 2, PERSEUS, BY PERSIMMON—URANIA.

In 1905 H. P. Whitney sent a few select mares to England, where they were mated with the most noted and exclusive sires of the day. The splendid Hanover mare, Urania, was sent to the court of Persimmon and the colf Perseus was the result. Great things were hoped for from this leggy, but highly-bred, colf, which were not realized, although he was by no means a failure and may prove a good three-year-old. He was not started until the rich Hopeful stakes came up for decision at Saratoga and in this he ran second to Helmet and defeated Fayette, Sir Martin and Bobbin. Next he ran fourth in the Futurity and followed this up by winning the Sapphire Stakes from Bobbin, Lady Hubbard, Harrigan and Tattling. His only other start was in the Great Eastern Handicap, in which he was not placed. His record and pedigree are as follows:

RECORD OF LEADING CANADIAN STABLE.

Both as owner and breeder, Mr. J. E. Seagram has long been a towering figure in Canadian racing and not infrequently one of importance on the race tracks of New York. Annually he achieves a respectable station in the list of winning owners and is this year the leader among Canadian owners. The chief contributor to his stable income was the three-year-old colt, Seismic, winner of the King's Plate at Woodbine Park, Toronto, and, to Canadian owners, the most coveted event of their racing. Seismic was not raced ruch, won three of his six races, and is likely to prove a more than useful four-year-old next year. Inferno was next to Seismic in winnings and but for infirm legs this mainstay of the stable for several years would have won more money than Seismic. The swift filly, Bouquet, a fortunate purchase, was third and Jubilee Juggins, Mill on the Floss, Purslane and Sir Galahad contributed usefully to the maintenance account of the stable, the record of which for the year is as follows:

DANDELION MEETS DEFEAT.

IS OUTSTAYED BY MARK ANTONY II. IN THE VERNON SELLING STAKES.

The Winner Given a Floral Wreath and Then Bid Up a Thousand-Sale of the Rudolph Spreckels Horses.

Los Angeles, Cal., December 5.—Mark Antony II. won the Vernon Selling Stakes today at one mile in a sharp last sixteenth struggle next to the rail with Dandelion. The latter's failure to annex the stake to his owner's credit was a sad disappointment to Sam Hildreth and his many friends, who regarded the race as a certainty for him. He was always held at odds-on in the betting, but did not take kindly to the drying-out and dead track, faltering noticeably a sixteenth out just when he appeared to have Mark Antony II. beaten. The latter ran a smashing good race, stood Dandelion's last 100-yards challenge with rare gameness and outstayed him resolutely. After the race the winner was crowned with a beautiful floral wreath and then put up for sale. When Judge Cole asked for an advance he was astomished when H. R. Brandt raised the horse from \$600 to \$1,600 \cdot in one bid. Cole had to ask twice to be sure he had caught Erandt's bid correctly, R. F. carman came through with the customary \$5 advance and saved the gelding, but his part of the stake was almost cut in half. Mr. Brandt made the one bid and then walked complacently away.

The card throughout was excellent and was productive of a splendid afternoon's sport. Today was cut-in day, twenty books drawing positions. The crowd was large and enthusiastic and had much the better of the bookies on the day's speculation.

Jockey Treubel was set down for ten days by starter Holtman for disobedience at the post in the fifth race.

Tom Mannix got in this morning from the east with jockey McCahey.

Charley Henshall, fresh from French Lick Springs, is among the latest to arrive. He will campaign a stable of seven horses here this winter.

The sale of Rudolph Spreckels' Sobre Vista Stable in the paddock today by auction resulted as follows: Detector, to J. A. Bennet

TRULY A GREAT BROODMARE.

Remarkable Record of Hoodoo, Dam of Jinks, Mesmerist and Hatasoo.

Lexington, Ky., December 5.—"I hope you will have as good success with this mare as you have had with Hoodoo," said John B. Ewing to Dr. M. W. Williams, of Williams & Radford, owners of the Adelbert Stud, Hopkinsville, when Miss Crawford was knocked down to him at the Fasig-Tipton sale last week,

"I thank you," replied Dr. Williams, "but to own another mare her equal as a producer is beyond my expectations. If Miss Crawford brings me one-fourth the returns I have had from Hoodoo, I shall be highly gratified.

"Hoodoo was bred by J. B. Haggin at Rancho del Paso in California. She was foaled in 1889 and was sold as a yearling to Pierre Lorillard. For some reason, possibly because of the fact that she is by Darebin, and comes from the family of Miss Woodford, Belle of Runnymede, Hoodoo's second dam, being a full sister to the once queen of the turf, she was not trained and was put into the Rancocas Stud and mated with The Sailor Prince as a two-year-old in 1891. Her first foal was a colt in 1892. In 1893 she had no foal. In 1894 she produced Try Again by The Sailor Prince and in 1895 Rabbit Foot, by the same horse. These never amounted to anything.

"In the winter of 1894-1895 Mr. Lorillard had a weeding-out sale of the Rancocas Stud, and I bought Hoodoo's foal from this union was Jinks in 1896. I sold her to Captain W H. May for \$100, and "Bul" May trained her. In two seasons she started thirty-eight times, won eighteen races, and won \$8,035, but not all of it for Captain May. He sold Jinks

\$2,500, virtually a song, a short while before. Hoodoo's foal from this union was Jinks in 1896. I sold her to Captain W. H. May for \$100, and 'Bub' May trained her. In two seasons she started thirty-eight times, won eighteen races, and won \$8,035, but not all of it for Captain May. He sold Jinks to Pat Dunne for \$5,000. From him she passed to Barney Schreiber, then Sydney Paget and then to W. C. Whitney, who sent her to England in 1902 and bred her to Donovan. The foal in 1903 was a chestnut colt that died. In 1904 Jinks produced Killaloe, by Kilmarnock, and in the season of 1904 and 1907 she won \$12,485 for Harry Payne Whitney, and, I believe, is now in his Brookdale Stud in New Jersey along with Jinks.

"Hoodoo's next foal was Mesmerist, in 1897. I sold him as a yearling to A. Featherstone—they were racing then as Bromley & Co.—for \$1,250. He was the champion two-year-old of 1889, winning the Foam, the Double Event (second half), the Dash, Autumn, Great Eastern Handicap and Junior Champion. In all he won nine races, three seconds and one third and \$49,152 for his thirteen starts that year. Mr. Featherstone, as I remember it, refused an offer of \$70,000 for Mesmerist in the winter of 1899, and I refused Mr. Lorillard's offer of \$10,000 for Hoodoo about the same time. Mesmerist was a disappointment in 1900 and 1901, made only nine starts during the two years and did not win.

"Mr. Featherstone also bought the next four foals by Albert and Hoodoo, they being Mintage, \$6,000; Hatasoo, \$5,600; Mesmer, \$5,800, and Komombo, \$4,500. Mintage never won a race. Hatasoo, speedy and reliable, won nine races and \$16,675 for her sixteen starts in two seasons. As a two-year-old she won the Vernal and as a three-year-old the New Eochelle, Claremont, Coney Island Handicap, Swift, Brighton Oaks and Flying Handicap. She has two foals, Raquel and Effendi, racing Mintage, \$6,000; Hatasoo, \$5,600; Mesmer, \$5,800, and Komombo Handicap, Swift, Brighton Oaks and Flying Handicap, Swift, Brighton Oaks and Flying Handicap. INSURANCE AGAINST RACING ACCIDENTS.

The Union Jockey Club, which has control of all the race tracks in Germany, has been for some time endeavoring to discover some means of providing for disabled jockeys and others connected with racing stables in Germany. The Frankfort Assurance Company has presented a solution to this problem and has submitted to the Jockey Club an offer, of which the London Sportsman has the following to say:
"The Union Club has issued a circular to racing

societies submitting the offer made by the Frankfort Assurance Company to accept the liability of each and every race society and individual owner, and insure against accident amateur and professional jockeys, as well as apprentices and stable men, on payment of one shilling from the society for each horse entered, of four shillings and five, respectively, for each horse started in a flat or cross-country race by owners, of \$20 from each gentleman rider. of \$10 from each professional on the flat, of \$12.50 from each rider over country, and of \$5.00 from each trainer for each man employed in the stables. Compensation up to \$25,000 would be paid to any person permanently disabled, with a total liability not exceeding \$75,000, and owners as well as race societies would be indemnified as to all damages awarded against them to third parties arising or the race course.

"Gentlemen riders temporarily disabled would receive \$5.00 per diem and \$5,000 for permanent disablement; jockeys, \$3.75 and \$3,000; apprentices. \$1.50 and \$1,500, and stable men, \$1.50 and \$750. It has been calculated that the income accruing to the insurance company would amount to something like \$24,375 per annum from the sources men tioned, and it remains to be seen how owners will feel inclined to fall in with the proposition made, which includes no provision for the horses disabled or killed, while the tax of \$1.00 or \$1.25 each time a horse runs would materially affect their pockets."

WINTER RACING IN SOUTHERN FRANCE.

Rich Events for Jumpers at the Pau and Nice Meet ings-National Breeding Subvention.

Paris, November 25 .- Racing on the sunny shores of the Mediterranean begins to loom up alluringly to lovers of the sport. The jumping races at Auteuil and St. Ouen will not keep the great majority of race-goers in Paris, and many have left for sunnier parts of France and Italy. The last number of the Bulletin des Steeple Chases sets forth the programs for Pau and Nice, so that owners and trainers have plenty of material to study, and they are determin-ing which of the big prizes they will go for. The Christmas meeting at Pau will start on December 20 and will continue until December 27. Marseilles will follow on January 1 and 3, and Nice has been given a fine succession of dates from Thursday, January 7, to Thursday, January 28, and then the claims of Pau have again been recognized.

The big races at Pau will be run at the February

meeting. These include the Grand Prix de Pau, a steeplechase with \$10,000 added, which is fixed for Sunday, February 7. Entries must be made be-fore January 12, and the weights will be published a fortnight later after the Nice results are known. The Prix Gaston-Phoebus, a hurdle race at Pau, with \$2,000 added, is made this year a weight-forage race instead of a handicap.

The Grand Prix de la Ville de Nice, to give the

race its full title, is fixed for Sunday, January 17. This is a steeplechase with \$20,000 added. The entry is \$200, half forfeit. There will be \$4,000 for the second horse, \$2,000 for the third and \$500 for the fourth. Surely this race ought to attract some entries from England. It closes on December 8. The Prix de Monte Carlo Hurdle Race, with \$10,000 added, will be run on Sunday, January 10, and the Prix du Grand Cercle de Nice, a steeplechase with \$6,000 added, on Sunday, January 24. The minor events, steeplechases and hurdle races are all worth from \$600 to \$4,000, and are open to English horses. It should be noted that the distance of the big steeplechase has been reduced from three miles and a furlong to two miles and three-quarters. This concession has been made on behalf of the fouryear-olds that are so frequently engaged. The total of the prize money at Nice this year will be over \$72,600. M. Camille Blanc is the president of the Race Society.

Last week the sum of \$3,375,820 was voted by the Chamber of Deputies under the heading of "Remounts for the Army." Nearly the whole of this money will be spent with French breeders, and a very small percentage will go out of the country. M. Engerand, the deputy for Calvados, moved the reduction of this amount by \$20, so as to put himself in order to criticise certain purchases that have been made from foreigners in the past. "These purin order to criticise certain purchases that have been made from foreigners in the past. "These pur-chases of foreign horses," he said, "were directly contrary to the intentions of parliament," The Minister of War having given fresh assurances on the subject, the amendment was subsequently with-

In the anny. In the object of the government is to provide stallions—thoroughbreds, Anglo-Arabians, hackneys, and the best breeds of draught horses—which are placed at the disposal of farmers having approved mares for a nominal fee. The mares must be the absolute of French subjects and the government is prepared to treat for the produce. big industry is being built up, and the French army is getting a supply of the finest horses that the world can produce. In the event of a great European war the resources of France in this respect will astonish the other powers,

NOTES OF THE TURF.

J. W. May, the well-known trainer, is on his way to Memphis to spend a few weeks with John W. Schorr.

Jockey C. Ross is quickly recovering from the injuries he sustained in a bad fall at Oakland November 16, and it will not be long before the boy will be riding again.

Harry Mack is of the opinion that Love of Gold, which was badly cut down in her last start, although ruined for racing purposes, may be saved for the stud unless blood poisoning develops.

Sam Rothert, who trained George J. Long's horses at Santa Anita Park last season, was one of the late arrivals at Los Angeles. His only interest in racing at present is that of a spectator.

Danny Maher, who leads the winning jockeys in England this year, added more luster to his name when, making his debut over the hurdles at Kemp-Park yesterday, he won the Staines Handicar on Dafila.

Anna May has certainly proved a consistent winner for her owner, T. O. Webber, since the opening of the Oakland season. Six wins and one second out of seven starts is the very creditable record of this filly, which is trained by H. Booker.

Former jockey J. Daly, who was refused a jockey's license last year by the California Jockey Club, is making a strenuous effort to be restored to good standing. The boy is keeping in condition by galloping horses belonging to his father, M. J. Daly

John Morris, the trainer and breeder of thorough-bred horses residing at Frankfort, Ky., who was kicked by a mule recently, is seriously ill from the effects of the accident. His knee cap was almost completely torn off and it is feared that the injury

may result in lockjaw.

Jockey Clem Jenkins falled to survive an opera tion for appendicitis and died at St. Francis Hos-pital in San Francisco yesterday. Jenkins for sev-

eral seasons was recognized as one of the leading jockeys of the world and was as well known in Europe as in this country.

It has been decided by the French Societe d'En-couragement to change the date of the Grand Prize of Paris, which has hitherto been run in the middle of June, to the last Sunday in that month. The two races formerly run on the Thursday and the Sunday following the Grand Prize will next year precede it. Changes in the dates of the race meetings of other French societies will be involved in this decision, and it is anticipated that the definite program will be arranged before the end of the present month.

The total winnings of King Edward of England for the racing season in England just closed were \$27,453 out of nine races with five winning horses.

STATISTICS OF OAKLAND RACING.

The first twenty-four days of Oakland racing resulted in the distribution of \$72,900 among owners of winning horses, with S. C. Hildreth taking double the sum garnered by his nearest competitor, C. R. Ellison. The latter was but \$345 in advance of F. A. Forsythe. The Oakland season is young yet and its big prizes do not come on until after the new year is ushered in, but prosperity and good sport has attended it from its opening day. To and including Friday the ten leading owners were:

Unexpectedly Don Enrique figures as the leader among the winning horses, but this is a condition not likely to exist long. His speed and ability to run well on any sort of going are undenlable, but he is of moody and uncertain disposition and not to be relied upon. Next to him in money won is the good two-year-old, Fitz Herbert, closely pressed by Dorante and Eyebright. The ten chief winners

Among the trainers Ed Trotter was the leader to the date named with a credit of eight winners sant to the post, but the difference between the leaders is not pronounced and the first ten are closely bunched, with winners to their credit as follows:

Racing at Oakland before rain interfered with a lightning fast track produced some exceptionally spirited and fast contests. On the first day of the meeting Eyebright defeated Dandelion, Montgomery. Angelus and Royal Tourist in the Opening Handicap in track record time, a mile in 1:38%, which was the fastest time in which this race was ever run. To Charlie Ellison's crack three-year-old, Royal Tourist, is credit due for the two greatest exhibitions of speed seen on the Oakland track this year. On November 11 Royal Tourist established a new American record for one and one-sixteenth miles when he disposed of the fast Dandelion in the remarkable time of 1:44%. displayed his sprinting abilities by creating a new coast record for three-quarters of a mile in 1:112, only a second slower than the American record. Fitz Herbert's six and a half furlongs in 1:18 was another brilliant exhibition of speed. The complete records of the Oakland track are as follows:

final sixteenth, outstayed Dandelion. The latter left the post slowly and went to the outside on the far

turn, then moved up fast and appeared to have the winner beaten, but tired palpably under the whip in

the last fifty yards. Miss Sain closed up ground gradually all through the final quarter and finished fast.
